 8

9

12

15

This exploded view diagram illustrates the assembly of a portable electronic device. The components are labeled as follows:

- 10**: A small circular component, likely a button or sensor, positioned at the top center.
- 17**: A small rectangular component located below the top center.
- 18**: A larger rectangular component with a central slot, positioned below 17.
- 29**: A long, thin rectangular component, likely a battery or a main circuit board, positioned horizontally in the middle.
- 28**: A small rectangular component located below the main body.
- 27**: A small rectangular component located below 28.
- 26**: A small rectangular component located below 27.
- 25**: A small rectangular component located below 26.
- 24**: A small rectangular component located below 25.
- 43**: A small circular component, likely a button or sensor, positioned to the right of the main body.
- 19**: A small rectangular component located below 43.
- 45**: A small rectangular component located below 19.
- 46**: A small rectangular component located below 45.
- 47**: A small rectangular component located below 46.
- 20**: A small rectangular component located below 47.
- 21**: A small rectangular component located below 20.
- 31**: A small rectangular component located at the top left.
- 30**: A small rectangular component located below 31.
